

One of Lake View's newest attractions, "Boulder Beach Miniature Golf," is open for public use during the summer months. Built by the City of Lake View, Boulder Beach is a 19-hole mini-golf course located next to Crescent Beach in Lake View, along the shores of Black Hawk Lake. Boulder Beach attracts over 6,000 golfers annually.

Boulder Beach offers mini-golfers a challenge that the whole family can enjoy. The course features undulating greens with bridges, water hazards, sand traps, trees, planter boxes, and other challenging obstacles. One highlight of the course is a waterfall that flows into a meandering creek that winds through the course. The course uses a natural landscaping theme utilizing trees, bushes, flowers, rocks and water hazards as the obstacles. Lighting makes the course available for evening entertainment.

The course is open Memorial Day weekend until mid to late September - although arrangements can be made to play through October.
